PROFILE

I am a college student , actively engaged in honing my skills and knowledge in the field. I am gaining hands-on experience in areas such as web technology . My coursework has provided a strong foundation, and I am dedicated to expanding my skill set through self-driven learning and practical application. I am seeking opportunities to apply my skills in a dynamic and collaborative environment.

PROJECTS

Amazon Clone

<https://jayanth115.github.io/Amazon-Clone/>
